Our theme this half term is FRIENDSHIP

**"The greatest love you can show is to give your life for
your friends."**
John 15:13

It's been quite a week in school. We have had much sickness amongst staff and children resulting in a significant amount of flexibility being shown by our school team. It gave me a good opportunity to get back into teaching Classes 3, 4 and 5 and see how the children are progressing with their learning. Many thanks to all those staff members who have gone the Extra Mile, and kept the children learning, despite the challenging absences.

Hopefully we will be back to normal on Monday!

Our very exciting news this week is that our school has been awarded the **Bronze Award for School Games**. We are being acknowledged and rewarded for our sporting endeavours. School Games have teamed up with Sport England and the Youth Sport Trust to raise the levels of sporting participation in schools across the country, and they have rewarded us for supporting their goal. We have invested much time, energy and Sports funding into raising the standards and profile of PE and Sport at Lea Endowed over the last 12 months and this has now been recognised. You will now see our badge being proudly displayed on our stationery. A special thank you goes to Mr Heywood and all those children who have played a big part in us gaining the award.

Mrs Seagrave's Good Manners Award

Congratulations to **Dashel Fargher** in Reception who won my Great Manners Award last week. The whole school family agree that Dashel is a shining light around school showing good manners and respect to adults and children. Well done Dashel, we are very proud of you; keep shining brightly.

Healthy Heroes Challenge

This week's challenge is: **"Brush your teeth every morning and every night"**
