This Week.....

We have started our unit on Tradition al Rhymes. The children have been learning some playground rhymes which may sound familiar to you.

At the beginning of the week we were covering our RE topic on how Christianity had spread around the world since the time of Jesus.

In Maths we have been re-visiting fractions (halves and quarters) and we have been applying that knowledge to measures. The children have found this quite challenging and so we shall be re-visiting fractions and measures over the coming weeks.
