

Year 2 Newsletter 16th December 2016

The start of this week saw the fantastic performances of all our children in Reception and Key Stage 1 in our Christmas Nativity "Little Angel gets her wings". We had amazing solo performances and wonderful actors and actresses leading us in this lovely celebration of Christmas. What a super way to start the Christmas celebrations!

The children have been very busy all week continuing their work on fractions of numbers in **Mathematics** and writing about the events of the Nativity in our **English** and **RE** lessons.

Thursday afternoon we had a visit from the fire officers at Fulwood Fire Station to give their annual Fire Safety Talk in Class 2. Every child was given a fire safety plan by the officers and we learned a lot about keeping safe during a fire and about the consequences of playing with matches or lighters. Please talk to your child about fire safety.

We have been working on our calendars and Christmas cards and next week will complete these and other Christmas Art and Design activities. Our **Art** work has focused on printing and we have enjoyed using hand prints to create reindeers.

This is the last newsletter for this term and I would like to take the opportunity to wish you and your families a wonderful and happy Christmas and to thank you for all your support and help this year. I hope the New Year brings you all good health and happiness in all you do.
