Class 5 Newsletter – Friday 19th May 2017

This Week

This week in Class 5 we have been very busy producing our very best writing for assessment. We have started by editing and improving some of our previous work. I have been very impressed with how keen they have been to improve the quality and appearance of their own work and how much resilience they have shown to get the task done.

Next week in school we will be learning about different faiths. Each class will be learning about a different faith. In Class 5 we will be learning all about Islam and what it is like to be a Muslim. During the week we will be inviting special visitors in to school to help us with our learning and get a first-hand insight into what it is like to be a Muslim.

Children have been asking me this week if we will be doing 'Enterprise' this year now that SATs are finished. Once all our writing has been done and assessed, we will be doing Enterprise as the children are so keen to do it, so please discuss some simple ideas that children could put into action at home.

It is also that time of year when children start to feel unsettled and nervous about moving on to a new school. If you have any concerns or feel that there is anything that we can do to help with this transition please let us know.
