**This Week.....**

In English we have been writing our recount of the wedding. We have made sure we have answered the questions who, what, where, when why and how. We have remembered we must ALWAYS use capital letters for names of people and places, "I" and the start of a sentence. We have even used time words to signpost our recounts.

In Maths we have been measuring length. We discussed that when measuring we must always begin at 0 on the measuring tool. We are getting used to the words metres and centimetres and what they mean.
