### Notices

#### Uniform

A reminder that your child should be coming to school in full and correct uniform. PE kits should be only worn on our PE day with black or navy trainers. Black school shoes should be worn the rest of the week.

A copy of the uniform guide is attached to this newsletter.

Children wearing incorrect uniform will be asked to change into school spares for the day. Thank you.

### Class News

**This week in Class 2,** we have been learning about Pentecost and created our own Pentecost art. In our English work we have been writing about our fantastic visit to the farm last week, using past tense and noun phrases in our recounts.

We have explored how 'w' and 'qu' change the sound of letters in our spelling and looked at the homophones wear/where.

In Maths we have completed our unit on fractions and begun learning about time.

Our Science work has focussed on animal life cycles and the human life cycle. We have used maps and alpha-numeric grids in our Geography work and planned our models for making next week during our Showcase afternoon.

Next week, we are really looking forward to our Class 2 Showcase on Wednesday afternoon when we will be making our wheeled models; hopefully with your help and support.

Please join your child that afternoon if you can, to share in their learning activities.

**From Mrs Lucarelli in Year 1...**

We had a fantastic time on our trip to Farmer Parrs and have used the experience as inspiration for our writing. The children are writing adverts for Farmer Parrs to persuade others to go and visit too.

In Maths we have been looking at fractions. We have talked about fractions being 'equal parts' and we have been making halves of shapes and quantities.

Wishing you all a happy and peaceful Bank Holiday weekend,

Mrs Ramsay and Mrs Lucarelli
