**This Week...**

We had a fantastic trip to Cobble Hey Gardens. The children learnt about the different animals and plants on the farm whilst having the opportunity to feed and hold the animals and also plant their own seeds. The day went very quickly and the children have collected lots of animal and plant facts which we will be using in our writing next week.

In maths we have looked at positional language and time. I am really encouraged that most of the children have now learnt to tell the time to the hour and half past the hour. Thank you for your support at home in this as it has made all the difference. If your child is still struggling to read these times on an analogue clock, please continue to help them at home.
