Summer Term - 07/07/2017

This Week

Our Theme for this term is '**Water, Water Everywhere!**'

We 'Moved-on' on Monday morning to our next year group; the Year 5's with Miss Morris and the Year 4's with me. In English, we have explored the grammatical features of a newspaper, editing and improving previous articles based on the Nepal earthquake in 2015. In **Maths**, our focus has been on measurement; we have converted time and explored how to measure the volume of certain shapes. In **RE**, we looked at the friendship between Jonathan and David further, amidst the persecution of King Saul. We then looked on the Open Doors website to see how some Christians today are being persecuted in a similar way to David. We wrote prayers in response. In **PE**, we continued to improve our hand-eye coordination through the sport of rounders. In **Geography** and **Science**, we explored a river in more depth, identifying the different courses and features of a river. We then revisited our models we created last week of the water cycle.

Next Week...

English: Writing our own newspaper recount of the Grenfell Tower fire.

Maths: Exploring 3D shapes and their properties

Science: Continued exploration of the water cycle & rivers

RE: Explore how David's persecution by Saul is represented through the Psalms

Homework

The English homework is "**gather facts about the Grenfell Tower fire**". This will help our writing on WEDNESDAY. Using websites such as Newsround will help find child-appropriate facts about the tragedy.

The Maths homework is a **time** themed activity.

Stars of the Week

The **Christian Value** certificate for the value of **TRUTH** is **Alfie Richards** for having the courage to stand up and be truthful in a situation, wanting to atone for a poor choice.

The **Curriculum** certificate goes to **Emily Kilbane** for her positive attitude in seeking to push and challenge herself in Maths.

Outstanding Behaviour

We are doing well with our behaviour this half-term. Some individuals need to remember when to have their own personal conversations and need to have respect of others in class if they are sharing their ideas.

The children this week that have modelled outstanding behaviour 3 or more times are:

Emilee, Freya, Oliver, Russell, Emily, Alex, Jasmine

Jake B, Millie, Callum, Brenda, Hollie, Euan, Jake K, Keira, Alyssa, Aimee, Lewis, Annie,
Nicola, Finnlay, Tyler T, Adam

As always, you can come and talk to me about your child's progress either at the end of school, or you can arrange an appointment.

My Open Door is on Thursdays from 3:15-3:45pm
