

Lea Endowed CE Primary School
Lea Endowed News No 27
Friday 12th May 2017
Our theme this half term is **PEACE**

I would like to say we are so very proud of Y6 this week for the way they conducted themselves throughout their SATs tests. They worked extremely hard, showed 100% effort and had a positive mindset throughout (there were some very tricky questions- especially on Maths Paper 2!). A special thank you goes to Mr Smith for preparing the children to sit the tests with such resilience and for going the Extra Mile in providing an early breakfast every morning before the tests. The children in the other classes have also been working hard on their assessments too - we will keep you informed of their progress, not only based on the tests but also on the very important teacher assessments. We still have much teaching and learning time to enjoy before the end of the year and so I hope you will remind your child that school life continues as normal with our high expectations of behaviour and attitudes to learning.

Shining Manners at Lea Endowed

This week I have had it brought to my attention, by two professionals who regularly visit other schools, that our children's manners **"are wonderful"** and that **"it really does make a difference coming into a school where the children are encouraged to be respectful and polite."** I was so very proud to hear such positive comments; it makes all the reminders worthwhile! Well done children.

Mrs Seagrave's Good Manners Award

Congratulations to Natalia Evans in Y4 who won my good manners award last week. Natalia always shows lovely manners and is kind and polite. She is a very quiet member of our school family who shines gently everywhere she goes - we are all very proud of you, Natalia - well done.

Sponsored Circuit-Paralympic Visit

Please can I remind the children to be practising the 4 Circuit training exercises and also to be politely and respectfully looking for sponsors for this very worthwhile cause. If your child has lost their sponsor form, we have a few spares in school.

The Bus

Over the last few weeks I have spent a considerable amount of time sorting out issues that have arisen on "the bus". Please may I once again politely remind all parents, of children who choose to send their children on the bus, that **this service is completely independent of school**. Asking me to sort out problems on the bus is like asking me to sort out issues that have taken place in a car on the way to school! Please talk to your child about what is appropriate behaviour on a public method of transport. As I mentioned earlier, our children can show wonderful manners and respect, however we should all be aiming for this to be embedded into behaviour outside of school.

Healthy Heroes Challenge

This week's challenge is:

"DRINK PLENTY OF WATER EVERY DAY THIS WEEK"

Thank you for your continued support,

CM Seagrave
