## This Week

We have had a fabulous week in class this week and have certainly enjoyed spending more time outdoors, and on the school field, now that the weather has finally improved! We loved our Diary of a Disciple workshop with Helen and Jenny from BSYW. Helen told us all about Luke's Gospel and the miracle story of Zaccheus, who grew from loving money to loving people after spending time with Jesus. The children all made mini books, and were gifted their own short version of Luke's diary. We all behaved brilliantly at Borwick Hall yesterday and showed our canoeing and bushcraft skills off! It was wonderful to see the children growing in confidence and facing some fears as they tackled some tricky challenges: Head, Shoulders, Knees and Toes whilst stood up in a boat is tricky! The children built dens, working collaboratively, before being rewarded with hot chocolate and marshmallows made on a camp fire. Listening to nature and enjoying the great outdoors is a powerful yet easy way to enhance our wellbeing, and most children were in their element getting dirty and spending quality time with their peers 😊

## School Uniform

We pride ourselves on having smart uniform at Lea Endowed. However, we have noticed that an increasing number of children are coming to school in their 'own clothes' on PE days. Please ensure that children come to school in plain navy blue or black jogging pants, plain white t shirt and a school or plain navy hoodie.

Our PE day is a Wednesday
