Weekly Newsletter.
27th January 2017

This Week....

This week in Maths we have been looking at 2D and 3D shape. We discussed how hexagons and pentagons are not always regular but always have straight sides and the correct number of corners. We also looked at how shapes, such as a triangle, is still a triangle even when it's upside down.....there is no right way up! We enjoyed counting in 2's using our large wooden Noah's ark and some children made the link to 'Even Numbers'.

In English we have started reading Allan Ahlberg books and we have now finished off our 'Outdoor Explorers' information sheets.

Next Week... We will be starting to look at what makes Allan Ahlberg books special....->

Certificates and Awards

Writer of the Week -

Lily - May

Curriculum Certificate -

Isaac P

Christian Value Certificate for

Hope -

Harry

In Maths we will be continuing to count in 2's 5's and 10's and we will be looking at doubles of numbers.

Spellings

Although the children tried really hard with their spellings, most are still finding the days of the week tricky and so we are going to spend another week learning them.

Homework

Sorry, I forgot to send out the 3D shape mat yesterday...I have sent it home today.

A few people commented the homework was a little lengthy last week - sorry - please feel free to leave a little out if it is taking too long!

A BIG Well Done....

to those who have been on 'outstanding' 3 or more times this week!

Lily - May, Lucy, Kara, Jack and Jessica.

Talk Topic

Do you have a favourite Author?

♥ **Goodbye** ♥

To Lily-May. We will miss you but we are very excited for you too. All of Year 1 sends our love and prayers as you go!
