Spring Term – 16/01/18

This Week...

Maths

This week we have been using negative numbers in contexts such as temperature. We have also been calculating averages for groups of data.

English

We have completed our 'Pandora' information leaflets and they look AMAZING! These are on display in the classroom if you would like to pop into to see them on Wednesday (Open Door).

Across the Curriculum

In art the children have designed some planets of their own and have been experimenting with various colours and textures. We have been learning about why we have day and night in our Science lessons. In R.E. we have thought about significant events in Moses' life and how he felt about them.

Next Week...

Maths

We will be revising 2D and 3D shapes.

English

We will be thinking about 'for' and 'against' the Mars One project (a one-way journey for humans to Mars). The children will be writing a discussion text that explores the pros and cons of this mission.

Important Dates

- OPEN DOOR - Wednesday 3.20pm until 3.40pm. Please feel free to visit our classroom and ask any questions you may have.
