

Lea Endowed CE Primary School  
Lea Endowed News No 17  
Friday 3<sup>rd</sup> February 2017  
Our theme this half term is **FORGIVENESS**

"For if you forgive others the wrongs they do to you,  
your heavenly Father will also forgive you."  
Matthew 6:14

This week we have seen a recurrence of the dreaded virus in school. Several members of staff and many children have been affected. Please remember that your child can not return to school until there is a 48 hour gap from the last incidence of vomiting or diarrhoea. We are stressing the importance of hygiene especially before eating and after visits to the bathroom. Next Tuesday we have **Safer Internet Day** in school when the children will spend the day focusing on the importance of staying safe online- please take the opportunity to talk to your child about this vitally important subject and check out the many links provided on our website.

Next week is Mr Heywood's last week at Lea Endowed. He has been teaching here for four and a half years and has been a great role model and teacher to the children in his care. We are very sorry to say goodbye to him but we hope he has a wonderful future ahead. Our love and prayers go with him.  
Thank you, Mr Heywood - we will all miss you.

#### Safety Champion

A very special "Well Done" to **Mia Woods in Y1** for putting her "How to Stay Safe" learning into practice this week. Your child's safety is the most important part of our provision and their learning and it is wonderful when our teaching is seen to be embedded in this way.

#### Online Safety Information

I have placed a variety of Online Safety leaflets and cards in the entrance porch of school - please help yourself.

#### Driving and Parking

I have been informed of several instances of dangerous/impolite driving on the road immediately outside the school gate: parents are using mobile phones whilst driving, doing 3-point turns and showing aggressive behaviour towards other road users. Please drive and park with extra care and consideration when dropping off and picking up your child from school. The Police have requested that we record the registration numbers of drivers who are acting in this way and hand the information over to them.

#### Mrs Seagrave's Good Manners Award

Congratulations to **Callum Calvert Shorrocks** who won my good manners award last week. Callum is renowned around school for being kind, polite and helpful and we are all very proud of him for setting a great example to others- keep shining Callum!

#### Helping Hearts Day

A reminder that next **Thursday 9<sup>th</sup>**, the children can come to school dressed in anything red/ pink or with a hearts design, as long as it is age and school appropriate. As always this will be for a donation of £1. We are asking you to please send in cakes, biscuits or cards with a heart theme which we will sell on the day. The children can bring in extra money to buy cakes, biscuits or cards at playtime.

#### DATES FOR YOUR DIARY

Break up for Half Term Holiday Friday 10<sup>th</sup> February @3:15pm
