Our theme this half term is **HOPE**

I can hardly believe we're at the end of the term already, but Easter is just round the corner giving us a good opportunity to enjoy a time of celebrating New Life and Hope. We are all ready for a good break after a hard working term but it is very helpful to keep the children involved in their learning using fun and practical activities. Please can the Y6 children particularly use the many websites and materials available to help with their preparation for the upcoming SATS which take place during the week beginning Monday 8th May. Times tables practice is always beneficial.

Thank you to all those parents who came along to Parents' Evening this week. It is so important that we work in partnership to help your child achieve their full potential. If you were unable to attend, please arrange an alternative appointment, thank you.

Mrs Seagrave's Good Manners Award

Congratulations to **Jessica Reddy in Y1** who won my good manners award last week. She always shows excellent manners and is kind and polite. She is a quiet member of our school family who shines quietly everywhere she goes - we are all very proud of you, Jessica - well done.

Attendance

Please read the attached **Attendance Information Leaflet** carefully – it sets out all the information you need to know about the importance of your child being in school every day eg. The minimum attendance level which is expected at our school is **96%**. It is when attendance falls below this level that school will start to monitor closely the amount of time children have off school.

Rainbow Day

A reminder that on Wednesday 5th April all children may come dressed in some or all the colours of the rainbow. Please send in a minimum donation of £1 to support the Rainbow charity (see last week's newsletter for details).
