

## Class 5 Newsletter

Autumn Term – 6/10/17

### This Week...

#### **Maths**

This week we have been learning about the properties of shapes. We have focused on angles: measuring and drawing and working out missing angles around lines and in a variety of shapes.

#### **English**

In English we have been looking at newspaper articles and focusing on their key features.

#### **Across the Curriculum**

We have designed our own brand new species of animal this week thinking about its characteristics and adaptations it has made to survive. We have also created some beautiful Harvest Art and presented our PowerPoint presentations in Whole School Worship about Harvest Around the World. We are working hard to learn more about other cultures. Please see Mrs Seagrave's newsletter for a new project, we hope will help with our Multi-cultural education.

### Next Week...

#### **Maths**

We will be moving on to Mental and Written Subtraction including large numbers and decimals.

#### **English**

We will be continuing with newspaper reports writing about the discovery of a new species of animal which we have designed.

### Important Dates

- OPEN DOOR - Wednesday 3.20pm until 3.40pm. Please feel free to visit our classroom and ask any questions you may have.
- Harvest Festival – THIS SUNDAY (8<sup>th</sup> Oct) @ 9.30am (St Christopher's Church). I look forward to seeing you there.
- Open Evening/Afternoon for Reception 2018 parents (2-6pm) on 12<sup>th</sup> October

### Don't Forget

- Homework to be returned to school on MONDAY please!
- Please try and encourage your child to read for 15-minutes each night. We have noticed some children are not reading at home. Thank you. Your support is greatly appreciated.
