Spring Term – 02/03/18

This Week...

Maths

This week we have been completing multi-step problems that involve a variety of calculation methods. We have been focusing carefully on what the question is asking us to do. We have also been practising problems involving percentages.

English

We have continued our work on 'The Lighthouse' and have written the middle and ending of the story. We have been focusing on writing in the third person and past tense as well as using different sentence starters and exciting vocabulary.

Across the Curriculum

This week we have had our second 'BIBLE EXPLORER' session where we met Christian people from other cultures. In D.T. we have been discussing healthy meal choice. Our Science lesson was about classifying animals into different groups and we created our own classification keys.

Next Week...

Maths

We will be revising key Geometry skills (2D and 3D shape) as well as revising key skills for arithmetic.

English

We will be reading our new Class Novel: 'There's a boy in the girl's bathroom' by Louis Sachar. The children will be using this story to develop their reading skills and as a stimulus for narrative writing.
