## We are Artists!

This week the children have been completing their end of year SATs assessments over the course of the week.

In **Science** we have made our clay animals, clay characters from the Wind in the Willows story and explored living, dead and non-living objects.

In **PE** this week the children enjoyed dance activities with rock and roll music. They participated well and quickly learned and performed dance routines for an audience.

In our **Topic** work we have created beautiful 3-d water-lilies in **Art** to complete our Monet inspired water art. We have evaluated hand puppets and designed our own animal hand puppets in our **Design Technology** work.

### Homework:

Due to their hard work this week in SATs assessments the children have been given a week off from homework.

- **Spellings** – Non set this week
- **Reading/English** – Home reading books
- **Mathematics** – None set this week
- **Times Tables** – None set this week

### Things to remember...

Open Door: Every Monday 3.15-3.45pm

PE Kits: Please make sure your child has a full kit in school for outdoor activities and sports.

Water Bottles: Please provide your child with a named water bottle that they can use in class and when we are outside on the school field. Thank you.

Sponsored GB Paralympic Event: Monday 22<sup>nd</sup> May  
Please return forms and sponsor monies by 12<sup>th</sup> June

## Next Week – We are Faith Explorers!

Next week is our multi-cultural, multi-faith week. Children throughout school will be finding out about the diversity of cultures and faiths in British society today. Tolerance and understanding of other faiths is an important part of life and our exciting week will incorporate both our British and Christian values.

In Class 2 the children will be exploring and finding out about Buddhist faith, beliefs and culture. We will share our discoveries with the rest of the school on Friday.

# Congratulations!
