

Lea Endowed School

Class 5 Newsletter – Friday 30th June 2017

This Week

This week in Class 5 we have started our Enterprise Project and have started preparing memories for our Leavers Worship/Celebration Assembly. Given the time available to prepare there will be no end of year play.

Enterprise Afternoon will be on **Friday the 14th of July between 2pm and 3pm**. This year we have focused on food and games although some groups still want to make things (e.g. stress balls) to sell too. We hope to raise as much as we can for a summer treat. As usual, a percentage of the profit will be donated to charity. Children know when it is their day to be making or baking so they should only bring in the things they need on those days. Your help with making Enterprise possible is much appreciated. One group is using empty yoghurt pots. If you have any empty yogurt pots at home could you please send them to school for them to use. Thank you!

On the **9th of July at 9.30am it is the Leavers Service** at St Christopher's. If you know that you and your child will be there it would be really useful to know as I can plan something for them to do during the service.

Mr Smith – Class 5 Teacher

Reminders/Information

- Class 5s 'Open Door' sessions are on Thursday between 3.15 and 4pm. Please feel free to come in and look at your child's work.
- Our Bog-Eyed Jog is on **Thursday 6th of July**. The sponsor form went home on Wednesday. We recognise that we have already had quite a few sponsored events this year but we really do appreciate all the effort you go to and your generosity.

Next Week

Worship – This term our worship theme is Courage. Each week selected children will be planning their own worship based on this theme.

Topic – Our topic theme this term is The Seaside.

English – Next week we will be producing holiday brochures and producing information pages about different countries.

Maths – In Maths, we will be costing holidays and trips both abroad and in the UK.

RE – In RE will be learning about People of God.

Science – In Science, we will be making and investigating electrical circuits.

History – In our History lesson we will be learning about Victorian Holidays.

PE – In PE we will be learning the skills of cricket.

Computing – In Computing, we will be creating an online safety portfolio.
