**Last Week....**

Was 'Extreme English' week! In Year 1 we split into groups for the week and worked as a team to win points for team work, good behaviour and effort. Well done to the 'Question Marks' - Kai, Faye, William and Jack for being the winning team!

We looked at how Alan Ahlberg adapted the story of 'Goldilocks and the Three Bears' to make lots of other stories. Then we spent the week working on our story writing skills and getting together the tools we need to re-write the story of 'Goldilocks and the Three Bears' with our own characters this week.

On Thursday the children moved around the school and completed 6 different 'Extreme English' workshops everything from performance poetry to making story puppets.

At the end of the week prizes were given out. Well done to Oliver for his extreme reading photo, Faye for her fantastic Writing and Isaac P for the giant leaps he's made in his reading.

**Certificates and Awards**

**This Week...**

We have been writing our story 'Goldilocks and the 3 Aliens'

In Maths we have been learning to tell the time to the hour and half past the hour on an analogue clock.

We have all been very excited to watch the chicks hatch. Hopefully they will be travelling around the classrooms next week so that we can take a closer look.

**Next week...**

We will be writing instructions for looking after chicks.

In Maths we will be working on ordering numbers and subtraction.

**Words and Sounds Catch Up....**

Please keep an eye out for any words or sounds being sent home. If your child had an envelope with words or sounds in, please practise them daily to help your child catch up.

**Talk Topic**

What other characters could you use instead of the 'Three Bears' to change the story of Goldilocks?
