

Year 2 Newsletter No.33 14th July 2017

This week we are Explorers!

This week we have been exploring the 7 continents and the human body!

Next week we will be celebrating a year of hard work by having an activity week that will include crafts, baking, singing and having fun!

In **Geography** we have been looking at the different continents that make up the world.

In **Science** we have been looking at the key features of the human body and their functions (heart, lungs, brain).

In our **English** work this week we have been revisiting, revising and reviewing the use of adjectives, nouns and verbs in our writing. We have also focused on sentence structure and the correct use of capital letters.

Mathematics work this week we have been revisiting, revising and reviewing some of the things we have learnt throughout the year in class 2 (addition, finding the difference between two numbers, line graphs and place value).

Homework:

- **Reading** - Continue to read over summer
- **English** - Writing a journal about your time in class 2.

Due to it being the last week in school next week, there will be no Maths or spellings sent home. However we do encourage children to revisit any topics taught over the year if necessary.

Things to remember...

Open Door: Every Monday 3.15-3.45pm

Reading books: Thank you very much for bringing in reading books. They have all been collected and we still encourage reading over the summer holidays.

PE Kits: P.E. Kits will now be sent home as they will not be needed next week.

Water Bottles: Please provide your child with a named water bottle that they can use in class and when we are outside on the school field. Thank you.

Lego/Collector Cards: Please ensure that your child does not bring Lego or other collector cards into school. These are not allowed in school.

Next Week - Celebratory week!

Unfortunately Mrs. Ramsay will not be returning until September. So I (Miss Hall) will be taking class 2 for their final week. I would just like to express my gratitude for the way the children have welcomed me and behaved throughout my time at school.

On Friday we are allowing children to bring in toys from home. However we take no responsibility for the

damage/loss of a child's toy. It's the child's responsibility to look after their things. **Please no electrical items e.g ipads, consoles and mobile phones.**

This will be the last newsletter for the academic year. Myself, Miss. Wilson and Mrs. Morris on behalf of Mrs. Ramsay would like to thank you all for your continued support.

Congratulations!

Christian Value of Courage - Ethan Calvert
Curriculum Award - Nathan Dootson
Star Writer - Harrison Hine

A big "thumbs up" to our class members who have demonstrated consistent **Outstanding Behaviour** or shown **Exceptional Effort** this week!

Nathan, George G, Gomezzyo, Evie, Ellouise, Lottie, Faith,
Ethan, Ollie.

Thank you for all your help and support. Miss Hall.
