This Week....

In English we have been working on using joining words 'and', 'but' and 'or' in our sentences.

We have also continued to work on what punctuation we use at the end of our sentence, full stop, exclamation mark or a question mark.

We have been thinking about how we can change the story of No-Bot to write our own story and each child has planned their own story to begin writing next week.

In Maths we have been looking at subtraction and 'finding the difference'. We have been writing our number sentences in different ways to help us better understand what the symbols mean. For example... $8=2+6$, $6+2=8$, $8-2=$, $2=8-2$

Perhaps you could try some of these at home?

Talk Topic

We have a visitor from South Africa coming in on Friday. How is the UK different to South Africa? How is it the same?
