This Week.....

We have started to look at instructions. We have looked at all the different features in a set of instructions and even had a go at following a set of instructions ourselves!

We unfortunately ran out of time to make a healthy recipe this week but don't worry, this activity has just been postponed until next week.

In Maths we have been making bar charts to display data and then answering questions using our knowledge of 'difference'.

In phonics we have started looking at the ...

...sounds, 'ay, 'ou' and the tricky words 'oh, their and people'. Try spotting some of these sounds and words at home.

Next Week....

We will be following some recipes and writing our own set of instructions to make something healthy.

In Maths we will be looking at 2D shape.

Homework this week was sent out on Thursday to be back on Monday thank you.

A BIG Well Done....

to those who have been on 'outstanding' 3 or more times this week!

Erin, Matthew, Sienna, Elissa,
Neve and Elliot.
