

# Class Three Newsletter

## 30/09/2016

### This Week

This week the whole school has been discussing and thinking about our harvest appeal and how we are going to support the school in The Gambia. The children are going to very kindly donate rucksacks and any unused stationery items to go inside them. Any pencil cases, pens, pencils, rubbers, rulers, notebooks etc, can be brought into school so that they can be sent to the wonderful children in The Gambia. Please support the school with this appeal and give whatever you can.

In class this week the children have once again been very busy. In Maths lessons the children have been working on sequences and patterns, along with multiplying numbers by 10 and 100, and counting on in multiples of 2, 3, 4, 5, 10, 50 and 100. In English the children have been using commas for lists and exploring prepositions and adverbs. In R.E. the class further explored Harvest, Science included an investigation into opaque, transparent and translucent materials, and P.E. saw the class working on their invasion games' skills.

Next week in Maths the children are going to explore everything decimal. Reading and writing decimal numbers, identifying the value of each digit in a decimal number, counting in decimal numbers, rounding decimal numbers, solving sequences that include decimal numbers, and solving problems that include decimal numbers. In English next week the children will identify clauses in sentences, identify and explore main and subordinate clauses in complex sentences, and then create their own complex sentences using their newly acquired skills and knowledge.

### Talk Time

Please talk to your child about our Harvest Appeal and why it's important to show compassion and kindness to those that are less fortunate than ourselves.

### Important Dates...

Harvest Service @ St. Christopher's Church,  
Sunday 9<sup>th</sup> October 10:00am.

### Don't Forget...

Harvest Rucksack Appeal - send in  
rucksacks/stationery items from Monday 3<sup>rd</sup>  
October.
