Lea Endowed News No 28

Our theme this half term is **PEACE**

This week the children and staff have all had specialist dance training. A wide variety of dancing styles were introduced from Reception to Year 6. The children were shown the different skills and routines and then given the opportunity to put their own style and sequences together and then perform and appraise them as a class. Next week we are looking forward to our special visit from Craig McCann; the GB Paralympian Elite Athlete – please remind your child to practice the moves for the Sponsored Event on Monday – A reminder that you can fundraise online at our school's event homepage [www.sportsforschools.org/event/PR602](http://www.sportsforschools.org/event/PR602) I hope we are all inspired by Craig's, dedication, commitment, overcoming spirit and incredible hard work. Please can all sponsor money be sent in to school by Monday 12<sup>th</sup> June at the latest, thank you.

#### Mrs Seagrave's Good Manners Award

Congratulations to Amelia Ramsay in **Reception** who won my good manners award last week. Amelia always shows beautiful manners and is kind and polite. Amelia is a credit to our school family and to her own home family. She shines quietly wherever she goes in school - we are all very proud of you, Amelia - well done- keep shining!

#### Parent Pay

We are considering setting up a cashless, online payment system for parents called "Parent Pay". This system has proven very popular with parents of children in local high schools. Using Parent Pay would hopefully make paying for school trips, clubs and dinner money etc much easier for you as parents. We would aim to begin using the system in September and would run it alongside the normal school payment system. We would be very grateful to receive your feedback about putting Parent Pay in place. School will incur a cost for running the system so we would only take this on board with a majority of parents being in favour. Please indicate your view on the slip below and return to school.
