## Class Three Newsletter

02/12/2016

### This Week

I would like to start this week's newsletter with a huge thank you to everyone that supported this week's Christmas Shop and helped to raise money for the school.

This week in English the children have been exploring the book 'I'll take you to Mrs Cole' and using its structure and language as a guide to writing their own story with a familiar setting.

By the end of the week we had some incredibly imaginative and creative writing from the children. With the power of their imagination, they turned some familiar settings into scary ones before revealing that there was nothing to be worried about after all. Next week in

English the class will continue to apply their descriptive writing skills to the story of Christmas and the main events that took place.

This week in Maths the children have gathered, presented and interpreted data on a number of topics. The children completed the week by researching the most popular sports in school and presented their results in pictographs and bar charts. Next week in Maths the class will apply their multiplication skills to answering division questions and solving problems.

### Talk Time

Please talk to your child about the main events of the Christmas story and the order in which they took place.
