Notices

Illnesses

If your child has sickness or diarrhoea they **MUST** be kept off school for 48 hours from the last time that they were ill; this follows our school policy.

If we feel your child is too unwell to be in school we will call you and ask for them to be collected. Many thanks.

Spare clothes

If your child has been sent home in any school spare clothes, please could you ensure they are sent back into class. Also, if you have any unwanted underwear and socks they would be gratefully received to use in school as spares.

This Week in Reception

We have been reading The Three Little Pigs in Reception this week and the children have really enjoyed acting out scenes from the story. We have been doing some great creative work, making houses, building houses and making masks. The children loved watching the cartoon and found it really funny when the wolf got trapped in the pot of hot water. Some of the children went on to write their own sentences from the story. In our maths lessons we have been looking at estimating a number of objects and then checking them by counting. We have also been focusing on number formation to 10.

In our geography lessons we have been focusing on our new topic "Where we live". The children have all really enjoyed looking at their houses on Google Images. We had a great time finding out where in Preston we live and if any of our friends, are our neighbours.

Our topics for RE this term are "People who are Special to Us" and Christmas. We have been thinking of the people in our lives that are important to us. In the next couple of weeks we will be thinking about the nativity story and will be starting to practise for our Christmas play.

Homework

You will find your child's homework in their bag. This homework is a piece of reading comprehension for you to do with your child. For their numeracy there is a worksheet to be completed, practising numbers to 10 or 20.

I have still only received a couple of photo's of children's houses for our display. If you are still to do this please could you email them to [admin@leacofe.lancs.sch.uk](mailto:admin@leacofe.lancs.sch.uk)

On over the rainbow this week are.....

Mia  
Elissa  
Amelia  
Elliot  
Matthew  
Isabella  
Shae

On outstanding are.....

Florence  
Erin  
Dashel  
Sienna  
Daisy

Next week in Reception

We will be continuing to look at the story of the Three Little Pigs next week. We are going to make our own houses for the pigs using shoe boxes, straw and paint. We are going to go out on a walk to Cottam to look at all the new houses that are being built. We are going to think about how the local area has changed in recent years. We will be thinking about shapes in our maths lessons and will be going on a shape hunt around school.

The new canopy has been installed this week and the children have really enjoyed playing outside, come rain or shine!
