This Week...

...has been assessment week in school.

Year 6 have been doing their SATs in the hall and in Year 1 we have been much more relaxed with more informal and friendly assessments.

In our Maths 'test' the children struggled remembering that we don't share our answers, but I'm sure that by the time they're in Year 6 they will have mastered the art!

We have been taking advantage of the sunny weather with some outside learning continuing our topic on 'The Wind in The Willows'.

Certificates and Awards

Next Week...

We will be looking at poetry in English; discovering rhyming words and using our phonic knowledge to write our own rhymes.

In Maths we will be working on Fractions, halves and quarters of shapes and amounts.

A Little Reminder...

On Monday 22nd May we will be having out sponsored circuit training event. A sponsor form should have been brought home last week and any funds raised will be going towards school sports equipment and to support the Great Britain's Paralympic team.

A Little Extra Homework....

Please can you help your child to learn to spell their last name and, if possible, their middle name too.

Talk Topic

As part of our British Values we learn about democracy. This week talk about what you had to do to vote in the recent local election and maybe even share why you voted for the person/party you chose.
