Diamond 9

Our Diamond 9 word this week in class has been 'Relevant'.

Class 1 Newsletter Friday 3rd May

Reception

We loved sharing the story 'Would you rather...' by John Burningham and had great fun making up our own 'would you rather...' questions in Literacy.
In Maths we are exploring addition and subtraction using cubes, pictures and counters.
In RE we thought about the special events and celebrations we share with others. We talked about how many celebrations involve spending time with other people, wearing nice clothes and eating special foods. We would love to see photos of any special celebrations you have shared; please email photos to j.moores@leacofe.lancs.sch.uk

Year 1

We had a fantastic time on our trip to Farmer Parrs and have used the experience as inspiration for our writing. The children are writing adverts for Farmer Parrs to persuade others to go and visit too.
In Maths we have been looking at fractions. We have talked about fractions being 'equal parts' and we have been making halves of shapes and quantities.
In Geography we learned about the points of a compass and how to interpret a grid on a map.

We would love to invite parents to our class leading Worship in the hall, for Sports Day on the field and for our Class Showcase (see dates above).

Reminders

A named water bottle to come to school daily please. Only plain water unless there is a specific need. Please speak to staff if this is the case.
Children must wear correct uniform and shoes, including PE kit. Children may be lent appropriate clothing if they come to school in inappropriate shoes/clothing. Thank you.
