Summer Term – 15/06/18

Welcome back! I hope you all had an enjoyable break! I can't believe this is our last half term in school before Year 6 leave us to start their high schools. It's set to be both a busy and enjoyable time that will prepare the children for the next part of their journey as well as give them memories of primary school for life.

This Week...

Maths

We have been looking at measurement and estimation. We have been using our Maths knowledge and skills to answer questions such as: How many hairs on the average head? How many times might we blink in a lifetime? How many daisies on the school field?

English

We have written and typed formal thank-you letters to the magistrates who visited our class before half-term. We have also finished 'Kensuke's Kingdom' and completed book reviews.

Across the Curriculum

In R.E we have been thinking about faith; what it is, and how it affects peoples' lives.

We have been studying scientific symbols and drawing electrical circuits with them in our Science lesson. We have also started planning our YEAR 6 ENTERPRISE PROJECT (more details to follow!)

Next Week...

Maths

We will be recapping mental and written calculation including solving puzzles and problems involving addition, subtraction, multiplication and addition.

English

We will be creating our own fantasy stories based on a short film 'Something Fishy'. We will also start reading our last class novel of the year 'Wonder' by R.J. Palacio.

Important Dates

- OPEN DOOR - Wednesday 3.20pm until 3.40pm. Please feel free to visit our classroom and ask any questions you may have.
- Monday 18th June – Father's Day 'Cake and a Cuppa' afternoon
