## Class Three Newsletter

25/11/2016

### This Week

A huge thank you to Mrs Robinson who covered the class for part of this week and my apologies for not being able to be here for Parents' Evening.

Earlier in the week, the children were busy welcoming aliens from the planet Zeno. The class had numerous problems to solve in order to communicate and welcome the aliens.

Our visitors were also included in English lessons. The children wanted to play Top Trumps with the aliens but it was a very unfamiliar game to them. Therefore, the children had to write clear instructions in order for their alien friend to be able to play along.

Within Science lessons the aliens compared their planet Zeno to our planet Earth and discussed the differences in light, shadows and reflections between the two planets. After our alien friends returned to the planet Zeno, the children solved missing number problems in Maths and fine-tuned their comprehension reading skills in English.

Next week in Maths the class will be exploring statistics. They will gather, present and interpret data using bar charts, pictograms and tables. In English the class will examine how to introduce and describe settings and characters in their stories.

### Talk Time

Please talk to your child about the British Value of Rule of Law and why we have rules. Are rules in place because someone is feeling mean and wants to stop any fun? Why do rules become even more important as we get older?

### Important Dates...

\*\*\* Pinocchio Pantomime Monday,  
5<sup>th</sup> December @ Duke's Theatre.

\*\*\* Christmas Shop Wednesday,  
30<sup>th</sup> November @ 2pm.

### Don't Forget...

\*\*\* KS2 Cinema Night Wednesday, 7<sup>th</sup>  
December.

\*\*\* KS2 Christmas Performance Tuesday,
