

## Class Three Newsletter – 19.5.17

### This Week...

We all stepped into our dancing shoes on Wednesday as we all had the opportunity to create and perform a street dance. The dance teacher who worked with the children commented on their musicality and I was impressed by their ability to work as a team. Well done Class3. We have started a new unit in English on non-chronological reports. We have been researching the main features of the genre and started collecting facts which we can use when writing our own leaflet about the Romans. This has involved fact finding from books but also using online materials and we are improving at identifying relevant information. We are also busy practising our handwriting. Some of us have acquired bad habits which we are now working hard to undo. Whilst handwriting is not the most important aspect of the writing process, neat presentation sets a good example and raises the profile of our work. We have revisited fractions this week after it became clear that the children were struggling with this during assessment. They now seem much clearer on the steps needed to solve a fraction of an amount and we shall continue to work on this during morning work.

### Next Week...

Next week we shall be having a Multi-Faith/ Cultural Week. During the week, Class 3 are going to be studying Sikhism and learning about what life is like for a Sikh. Tolerance and understanding of other faiths is an important part of life and our exciting week will incorporate both our British and Christian values. We will apply our new learning into our writing and there will be opportunities for creating beautiful artwork too. We will celebrate as a school on Friday, sharing all our new found knowledge and understanding.
