

Reception Newsletter

Friday 14th July

This Week in Reception

The children have enjoyed learning the story "The Naughty Bus" this week. We have done lots of continuous provision activities based on the story. We built our own London Town and the boys used the train tracks outside to make a model village. Some children enjoyed writing their own interpretations of the story changing various parts throughout. We have been making London Bus paintings that are on display in the classroom.

Mr Goodwin has also been busy this week making a special woodland area on our field. The children have enjoyed collecting natural resource for our own bug hotel. They have also loved making their own photo frames using sticks, pine cones and flowers. The children love being outdoors and next week we are going to have lots of our lessons in this new area.

The children loved our Cultural Diversity day, learning a dance from China. Our teacher Nicky was very impressed with the children and how well they engaged during the lesson. It was great watching them perform to the whole school.

Next week in Reception

It's our final week in school next week so we are going to be busy having lots of fun in class. We are going to do lots of transition activities to prepare the children for year 1. With this being the last week in term I am going to put together some pictures of your child's first year in school. Attached to this newsletter is a permission slip for parents to fill in.

Next week we have a leaver's service in school for the year 6 children. This is open to all parents and might be a good opportunity for you to see your child's buddy for the last time.

Please see Mrs Seagraves newsletter for more details.

Homework

I would like your child to write about what they have enjoyed during their first year in school. If your child finds writing hard then you can scribe for them. I will look forward to reading them on Monday.

Notices

This will be the last newsletter of the year. I would like to take the opportunity to thank everyone for their support this year. It has been a pleasure getting to know your children. Have a fabulous summer holiday.
