This Week....

We logged onto Mathletics for the first time in class. As a school we subscribe to Mathletics in order to enhance the teaching of Maths. The children can also access Mathletics at home if you have the internet. There is also an app available for tablets. Their username and password can be found in their reading diary.

In Maths we started to use language related to length; longer than, shorter than, longest, longer, shortest etc.

In literacy we've been writing fire poems and been using descriptive language.

Certificates and Awards

Writer of the Week -

Oliver

Curriculum Certificate -

Katie

Christian Value Certificate

for Hope - Mia

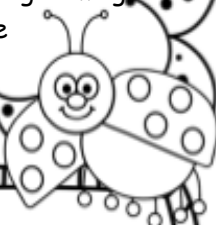

Next Week...

We will be adding and subtracting in Maths, looking at our number bonds to 10 and 20 then tackling some one step word problems.

In English we will be brushing up on our sentence structure by orally composing our sentences before writing them down. We will be checking all our sentences have a capital letter at the beginning, a full stop at the end and finger spaces between each word.

Look out for Homework Helps

Top Tips for Reading & Writing coming soon to our website

A BIG Well Done....

to those who have been on 'outstanding' 3 or more times this week!

Ruby, Jessica, Katie, Lucy, Lola, Harvey, Isaac J and Kara

Talk Topic

Talk with your child about what you would both do if you were invisible for the day.
