## Summer Term - 15/06/2018

### This Week

Our **Theme** for this half term is the "Invaders and Settlers". This week, we have completed our final Summer Assessments. Everyone has given it their all and I am really proud of their attitude coming back from the half term break and hitting the ground running. In **English**, we have re-edited our character descriptions of the Dan Worsley character Bazza. In **Maths**, we have looked at times tables, exploring the commutative nature of them. In **Science**, we have investigated how light reflects off mirrors then have applied it in designing our own periscopes. In **RE**, we have begun our new unit thinking about prayer and how Jesus' prayer life shows us its importance. In **Geography**, we have compared the European cities of Luleå and Kingston-upon-Hull. We are exploring the similarities as export ports. In **PE**, we had a session provided by PNE communities focussing on throwing and passing skills. In **French**, we recapped all our learning thus far in the academic year. In **Art**, we focussed on cutting accurately, inspired by the artist Charles Burrell; this is the first step in a project to create a lighted puppet show. In **Music** we began a new unit, appraising the Bon Jovi track 'Livin' on a Prayer'.

In Class 4 our theme is '**Invaders and Settlers**' and we will be exploring the Vikings in the latter parts of this term. This project lets you explore some features of the Vikings settlement in Britain on your own. You can use websites and library books to help you!

**It MUST ALL be your own work!** (do not copy and paste!) Each week there will be a selection of tasks for you to choose from. If you want to go the Extra Mile, you can complete more tasks than required.

**The project should be handed in on Monday 16<sup>th</sup> July.** Presentations will take place during that final week of term.

There will be 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> place prizes as well as some projects being marked highly commended. (Projects will be judged on effort, presentation, content and consistency).
