This Week.....

We have been un-muddling sentences to make sure they make sense. We have been focusing again on how a sentence must have a capital letter and full stop.

We have been practising our capital letters and have focused on the tricky capitals - B, D, R, Q, P, and K. It might help to look at these letters again at home and try matching them with their lower case partners.

In Maths we have been finding different ways to make 10. We have looked at what +, - and = mean. We have started adding and subtracting using practical equipment. Some children have been recording their sums in number sentences.

We will begin to look at instructions. Over the week we will be following some healthy recipes and looking at what good instructions need to have.

In Maths we will be using our addition and subtraction skills to present and read block graphs.

Reminder:

This Sunday is the Harvest service at St Christopher's. The service will begin at 9:30am. It would be great to see you there.
