

# Year 2 Newsletter No. 22 23<sup>rd</sup> March 2018

## We are Explorers!

In our **English** work has linked with our RE learning, based on Easter traditions around the world. We have looked at traditions in Poland, Eastern Europe, Mexico, Spain and Ethiopia. The children have been fascinated by the range of ways that Easter is celebrated in different cultures, across our world.

In **Mathematics** we have been consolidating our work on directions and rotations and have been exploring analogue and digital times.

We have planted bulbs and seeds in our **Science** activities and are looking forward to observing how they grow and change over time.

In **Geography** we have been annotating photographs of the messy map we created last week, identifying key features.

### Homework this week:

**Reading** – Please spend 10 minutes every day reading or sharing a book with your child.

**English** – Palm Sunday comprehension

**Spellings** – \_ure pattern

**Mathematics** – Clock times – analogue/digital

**Extra Mile Challenge/Talk time** – What Easter traditions do you celebrate or take part in? Will you be attending any local Easter events this year? We would love to see any photos of your Easter activities after the holidays.

### Things to remember...
