This Week...

What a fantastic way to end the week and start the run down to Christmas! Our whole school trip to the Panto was a great success - Oh yes it was! The children all behaved well and were great ambassadors for Lea Endowed - well done! We have been working on poetry in our English this week and have been reading and writing shape poems after being inspired by The Slow Train on YouTube. It led to some excellent discussion and the introduction of the very tricky word - onomatopoeia. We are constantly working on up levelling our word choices and poetry was a really good way of doing so. We tackled time in our Maths. Some children are showing readiness for telling the time to the nearest minute and others need consolidation with o'clock, half past, quarter to and quarter past. Please continue to work on this at home, if possible, as it is a topic that needs regular practise. We have also enjoyed sharing our favourite Christmas stories with Mrs Morris and have been singing our hearts out in preparation for our Christmas Praise next week.

We are busy preparing for our **Christmas Fayre** on Tuesday 12th December.

We would appreciate donations of tombola prizes being sent into school. Chocolate, toiletries, bottled items and other appropriate small gifts would all be gratefully received.

We are also collecting clean and good condition books to sell.

Any cake donations would be appreciated on the morning of the Christmas Fayre.

This event promises to be very exciting - stalls include fairy doors, bows and bobbles, tombola and raffle to name a few and, of course a visit to Santa himself. Please come along and support us.

Next Week...

We will be very busy preparing for our Christmas Praise on Thursday which should be a joyful celebration of the birth of Jesus. We will be writing about Christmas during our English sessions and looking at how we can show God's presence with us by acting as His 'helping hands'. We shall move on to Geometry in Maths and look at 3D shape models, incorporating Christmas into the unit by looking at presents and wrapping. In our Science work we will be looking at the work of muscles and be making our own working muscle model! Mrs Morris will continue to sprinkle Christmas spirit through Class 3 in Art!
