

**CONTINUOUS
IMPROVEMENT
PLAN
2016/17**

To raise standards in teaching throughout the school to be consistently good and with an increasing element of outstanding lessons

To ensure pupils' attitudes to all aspects of school life are consistently outstanding

To improve standards in Boys' Writing across the curriculum especially in KS2

To improve outcomes at the end of KS2 in Maths to be in line with national averages

To continue to provide a safe, Christian learning environment where pupils achieve their highest potential

Inspire children to go **THE EXTRA MILE** in all areas of their learning by making every lesson count

To enhance learning by maximising opportunities in our outdoor environment, especially in EYFS

Sport apprentice to utilise outdoor resources to improve health, fitness and well-being

Improve pupil engagement in maths through stimulating and challenging activities

Further improve opportunities for parental engagement in their child's learning

Further develop the role of Teaching Assistants to improve learning outcomes

Use assessment data to inform teaching and learning to improve outcomes for specific groups

Further embed our Christian Values linked closely with British Values

Consolidate governor roles and responsibilities to improve accountability

Provide a "DEEP and WIDE" learning experience for every child

Develop subject co-ordinator roles to provide a broad and balanced curriculum

Improve Writing through a focus on basic skills
