Class 5 Newsletter – Friday 31st March 2017

This Week

This week we have been reading extracts from *The Hound of the Baskervilles* by Sir Arthur Conan Doyle. This has proved quite a challenge for class 5. However, now that the children understand some of the story and recognise some of the main characters it is hoped that this will inspire them to think about ideas for their own crime stories.

In Maths we have been reviewing the fraction work we have done this year. Class 5 have found fractions the most difficult aspect of Maths this year and I have been really pleased about how they have remembered and applied their learning this week.

Next week we will be enjoying an Easter activity day on Monday and other Easter related activities through the week. On Wednesday at 9:15pm it will be our Easter Service in the hall. Hope you can join us!
