This Week....

We thoroughly enjoyed performing our Christmas production of 'Little Angel Gets Her Wings' on Monday. The children looked absolutely beautiful in their costumes and were all very excited at having an audience! There certainly was no stage fright!

Thank you so much for all your help with providing the costumes, helping the children with their words and for all your generous donations to The Donna Louise Hospice. It is very much appreciated.

We have done some wonderful Christmas craft this week, making crackers with Mrs Gingell and continuing to make Christmas lists for Santa using catalogues for inspiration! We showed compassion and love for others by making Christmas cards for the elderly residents of Bethany House. These were delivered by our Year 6 children on Wednesday as part of their annual festive visit to the home.

May we take this opportunity to thank all of you for your fantastic support this term.

Wishing you and your families a wonderful Christmas and a blessed 2017.

Next Term…

The children return to school at 8.55am on Thursday 5th January.

We shall begin the term by looking at **Space.**

5,4,3,2,1.....

As always, planning will include the children's input and ideas.

We will make moon dough, our very own planets and rockets from cardboard tubes!

We will be reading books about space and singing space and alien rhymes such as

'5 Little Men In A Flying Saucer'.

We may even take our own trip to space in our role play area. Blast Off!

A BIG well done to …

Amelia, Freddie, Mia, Isabella, Elissa, Daisy, Kayla, Elliot and Matthew

for getting on Outstanding this week.

You should be very proud of yourselves
