

Class Three Newsletter – 9.3.18

This Week...

We have had a very busy week in school and have enjoyed our learning inside and outside of the classroom! The Mother's Day Afternoon Tea was a great success and I know that the children appreciated having you join them for some tea and treats. Please always feel free to come and visit our Class 3 Open Door on a Monday (3.20-3.40pm) if you would like a look around our classroom or a chat about your child, and were unable to come on Wednesday. The Year 4 children, who performed at Sing Together in Blackburn, reported having a great time and their behaviour, singing and attitude made us all very proud. In class, Mrs Morris did a fantastic job on Monday and Tuesday when I was struck down by the dreaded 'bug'. The children have planned their myths and practised using fronted adverbials ready to include in their writing next week. In Maths, we have been looking at bar charts and answered some tricky questions which stretched our brains! We used this new knowledge to make our own bar graph following our Science investigation; Is the oldest child in Class 3 the tallest? We have been studying works of art that portray Judas' betrayal of Jesus and looking at the use of facial expression and colour.

I hope you all enjoy Mothering Sunday and appreciate your cards! The children have all enjoyed hearing about the origins of Mothering Sunday and thinking of all the special ways that they are going to surprise you on Sunday!

Next Week

We shall be writing our planned myths based on The Trojan Horse. The children will be expected to apply their new learning on fronted adverbials. In Maths we shall continue looking at fractions and on Wednesday we will be visiting the other KS2 classrooms as part of our Problem Solving and Reasoning Morning. On Thursday we will be doing all manner of exciting activities at Borwick and developing our teamwork and communication skills to boot! We will be writing recounts of our trip on Friday before we end the week soaking our aches and pains away at the swimming baths during lesson number 4!
