### **This Week....**

We had a fantastic day at Brockholes! The children took part in 2 workshops in which they; had a minibeast hunt, took a woodland walk to meet the 'Wind in the Willows' characters and learnt about their habitats, went bird spotting, painted with mud, made a picture in nature and made a clay tree figure. Although we are all still a little tired, we are fired up with lots more ideas for our topic as the trip has really brought Wind in the Willows alive.

In English this week we have been looking at letters. We have written a thank you letter to our leaders at Brockholes and we will be continuing to write letters next week
