**This Week....**

We have been continuing to read books written by Fiona Robertson. We have explored the characters and the story line and have had plenty of opportunity to write sentences, not forgetting our capital letters, full stops and finger spaces. Last week in Maths we looked at sequencing and sorting. We made repeated patterns and sorted items into different categories. We started to look at odd and even numbers.

This week in Maths we have been completing assessments to see how much progress we have made this term.

It was lovely to meet you all at Parent's Evening. Thank you for coming and sorry if you had a long wait!
