This week we have been having an extra focus on Maths. On Wednesday morning the children were split into groups and given the opportunity to take part in a wide variety of Problem Solving and Maths Reasoning activities, in the different classrooms and outside. The feedback from the children was extremely positive and the children behaved beautifully throughout all the sessions. Please check out the photos on the website that should be available in the next few days. Thank you to all the KS1 mums (and grandmas) who came and joined us for a belated Mothers' Day Afternoon Tea on Thursday. The children thoroughly enjoyed spending time with you in school. Thanks once again to Sarah Brookes and Sara Thompson who helped to prepare, serve and set up.

Thank you also to everyone who so kindly donated cakes.

Well done to Years 3 and 4 for giving it your best and having a fantastic "I Can" attitude at Borwick Hall.

I am delighted to be able to announce that Miss Morris has been appointed as a permanent member of staff. Miss Morris has become a very special member of our teaching team, who is highly valued. She has a wealth of teaching experience and we are very excited that we can "keep her" in our school family. Congratulations Miss Morris, we hope you are very happy in your permanent post with us here at Lea Endowed.

Mrs Seagrave's Good Manners Award

Congratulations to **Nicola Stefanska in Y6** who won my Good Manners award last week. Nicola is a great example of how to be a member of our school family. Miss Morris reports that Nicola is also a delight to have in Year 6. Well done Nicola – keep your light shining!
