Autumn Term – 01/12/17

This Week...

This week has been a crazily busy one in school! Unfortunately, I was off at the beginning of the week but the children have soldiered on working extremely hard without me!

Maths

In Maths the children have been consolidating work on fractions and percentages in varying contexts. They have linked this to ratio and proportion.

English

The children have written letters to local businesses asking for donations for raffle prizes for our Christmas Fare. We will send these out next week and hopefully we will receive some replies!

Next Week...

Maths

We will be working on statistics (pie charts) and geometry (angles) in our Maths lessons.

English

We will be working on our new Class Novel: War of the Worlds by H.G Wells. We will be focusing on descriptive language and finding evidence in the text.

Important Dates

- OPEN DOOR - Wednesday 3.20pm until 3.40pm. Please feel free to visit our classroom and ask any questions you may have.

Don't Forget

- Apologies that homework has been sent out late this week. The children may return it on Wednesday next week.

We would greatly appreciate it if you are able to make donations of appropriate books (in good condition) for our tombola at the Christmas Fayre. Please send these into school with your child next week! Additionally, any cake donations on the morning of the fayre would be extremely helpful! Thank-you for your continued support.

We are also starting our 'REVERSE ADVENT CALENDER' in class today. Each child will take a turn throughout December to open a door on our traditional advent calendar and I ask that in return they please bring one item that we are able to donate to Preston's food bank (e.g. toiletries or non perishable food). I am sure you will agree that this process will help the children understand the importance of helping others at Christmastime, as Jesus intended. Thank you once again for your support with this.

You are

masterpiece
