**This Week...**

We have been writing our own versions of the story 'Stuck'. The children have all made their own fantastic story book and I have been really impressed with their writing skills.

In Maths we have been looking at capacity and volume. We have been measuring up to 100ml and have been comparing measures. We have been working on our measure vocabulary skills, trying to remember what words go with which measure for example would I measure how much a container holds in g, ml or cm? And is that a measure of height, weight or volume. Please continue to ask these questions at home as the children aren't quite remembering the vocabulary yet.

**Friday 18th May**

We are having a special day to mark the occasion of the marriage of Prince Harry and Meghan Markle. The Children may come to school dressed either in "wedding clothes" or red, white and blue (no football kits please). English and Maths teaching and learning will be linked to the Royal Wedding on this day. In order to encourage our children to have a love of physical activity, we are hoping to take part in the "Lancashire's Your Mile Your Way" challenge on the same day. (CHILDREN WILL NEED TO BE ABLE TO RUN IN THEIR CLOTHES!) We are aiming to bring both events together and

have a Royal Wedding Active Challenge. The challenge aims to get at least 24,901 people throughout Lancashire to complete the amount of miles it would take to walk around the world. It would be wonderful; if you as parents could get involved too- you can choose to Walk, Run, Swim, Dance, Bounce, Bike, Skate, Row, Cartwheel, Skip or Jump! However you do it, just try and do your mile a day and please send in any photos - we'd love to see them!
