

Lea Endowed CE Primary School  
Lea Endowed  
Newsletter No 20  
Friday 9th March 2018  
Our theme this half term is **JUSTICE**

This week has been so incredibly busy that it has flashed by!

In addition to all the wonderful teaching and learning that has been going on in the classrooms, we've also had the

Swimming Gala, 2 football matches, Mad Science, PNE workshops for Healthy Lifestyle training, the Curriculum governors meeting, KS2 Mothers' Day Afternoon Tea and Sing Together at King George's Hall – Phew! Thank you to all those involved in giving up their time to help and support these extra-curricular activities that add such a special extra dimension to our children's lives; it is very much appreciated.

#### Mrs Seagrave's Good Manners Award

Congratulations to **Elliot Brookes** who won my Good Manners award last week. Elliot is a delightful member of our school family. He is polite, kind and helpful and made the perfect, polite groom in the Year 1 wedding last week!

Well done Elliot – keep your light shining!

#### Lent Appeal

The Toy/Game sale will take place on **Tuesday 20<sup>th</sup> March at 2pm**. Children can bring a maximum of £3.00 to spend but parents are also welcome to attend the sale and buy toys and games **after** the children have all had the opportunity to buy something.

#### Exemplar Education

On Monday you should receive an envelope containing information from a company that provides online numeracy and literacy support programmes. They are aimed at parents who wish to do something extra at home in support of schoolwork. Several other local schools have sent these packs out and the response from children and their parents is seemingly very positive. **Please return the reply slip whether or not you are interested** as school will receive some free licenses for us to use in school with the children, to use as an online resource to support their learning. Thank you.

#### Maths Carousel

On Wednesday 14<sup>th</sup> March the children are going to have a fun Maths Carousel morning. They will be split into mixed ability, mixed age groups (within their key stages) and spend the morning exploring fun Mathematical Reasoning and Problem Solving activities in different classrooms. If you would like to come and experience the children's Maths learning (and help out with the problem solving!) please feel free to contact school and let us know you would like to get involved.

#### Social Media

**I am deeply concerned** about the number of children who are being allowed access to inappropriate social media sites **at home**. Please note that if you are allowing your child to access such sites, **this can become a serious Safeguarding issue, for which you are responsible**. Please note the minimum age requirement for the following sites: Facebook 13+, Instagram 13+, Snapchat 13+, Kik 13+, WhatsApp 13+, ooVoo 13+; therefore, **NO child at Lea Endowed should be using these sites**. These age limits are there for a reason; **allowing your child to access these sites is potentially PUTTING YOUR CHILD AT RISK!** Please can I encourage you to check daily what your child is accessing and act responsibly. The excuse "Everyone is doing it," does not make something excusable, right, or safe!

#### Mothers' Day Afternoon Tea

The KS2 Afternoon Tea was a great success - everyone involved seemed to have a special time chatting and eating cake with their children. Thank you for being there. Thanks also to Jenni Collinson and Louise Lawson for all your help in making things run smoothly.

#### Sing Together

The children who took part in Sing Together last night, sang their hearts out and made us extremely proud as a school. Well done for going The Extra Mile. Thanks also to Mr Bateman for all his hard work in preparing the children for the event and to Mrs Catterall and Miss Watson for giving up their time. It was a wonderful evening!

Thank you for your support and Happy Mothers' Day on Sunday,

CM Seagrave

Well done to all the children: Alyssa, Isaac, Theo, Adam, Finnlay, Emily K and Ruby M who took part in the **Swimming Gala** this week; their sportsmanship was exemplary and everyone enjoyed the competition. Congratulations to the whole **Football team** (Adam, Alfie, Finnlay, Harrison, Jake B, Lewis, Oliver, Owen, Russell, Stephen, Theo and Tyler V) who played extremely well against both Broughton and Brockholes on Wednesday. We won 6:0 against Brockholes and lost 0:1 against Broughton.
