## We are Celebrating!

In our **English** work we have been writing character descriptions and writing 'Thank you' letters following our visit to Cobble Hey Farm and Gardens.

In **Mathematics** we have been exploring shapes and solving arithmetic questions.

Our **Science** work has focused on plant growth and we discovered a lot about trees and plants and plant life cycles during our class visit this week. We really enjoyed exploring the 'Secret Garden' at Cobble Hey with Mrs Miller.

### Homework this week:

**Reading** – Please spend 10 minutes every day reading or sharing a book with your child.

**English** – Royal Wedding news report

**Spellings** – Science vocabulary words

**Mathematics** – Wedding cake fractions

**Extra Mile Challenge** – Secret Garden Homework grid.

Well done to everyone who has been completing these activities.

We have some superb projects and pieces of writing being created. Keep it up!

***Your child will be completing their assessments next week.***

***Please ensure they get plenty of sleep, bring a water bottle to school and have a good breakfast every day to aid their concentration. Thank you.***

In **Mathematics** we will continue to focus on fractions of shapes and geometry – 2d and 3d shapes and solve problems using different strategies.

In **RE** we will be exploring stories from the Old Testament and completing our topic about Sacred and Holy places.
