

Class Three Newsletter - 30.6.17

This Week...

We have started our new unit on Narrative in English. We have read 'Little Red', by Lynne Roberts which is a version of 'Little Red Riding Hood' with a twist. This book has very detailed illustrations and rich vocabulary which has seen us reaching for our dictionaries to find the definitions. We have also been working on building 'word families' using language from the text. So, the word 'dark' has been matched with darker, darkness, darkest, light and so on. This will lead us in to preparing our own versions of the story next week. We have had a very practical week in Maths and have been looking at shape. We are increasing our mathematical vocabulary by learning about different quadrilaterals and sorting them on to a Carroll diagram. We investigated nets and built our own 3D shapes using these nets. We also used sticks and playdoh to build many different 3D shapes which really helped us identify their properties. We are very sad to be saying "goodbye" to Miss Balshaw who has been a very valued member of our class and school family. We wrote prayers of thanks and good wishes to guide Miss Balshaw through her upcoming alobe-trotting adventure.

Important Dates	Sponsored Event
	Don't forget to collect sponsors for the Bog
6 th July – Bog Eyed Jog	Eyed Jog! All money raised will go towards
	buying new resources which will benefit all
9 th July - Leavers' Service - St. Christopher's	children in school. Any contribution, large or
