

Class Three Newsletter – 15.6.18

This Week...

Welcome back! What a wonderful half term break we have all had, making the most of the wonderful weather. The children seem refreshed and I certainly think they have grown! They wrote recounts of their holidays on Monday and I loved reading about all their adventures, from York to Ireland and Wales to South Africa! We have also written descriptions of settings this week, using our writer toolkits which now include similes. The children are very articulate in their oral description and we are working hard at being able to apply all of this into our written work. During our Guided Reading, we investigated the Vikings – there was a fantastic non-fiction section in National Geographic Kids which we used – this is a great magazine for this age group, full of facts and interesting articles from around the world. We started the week looking at fraction and decimal equivalency and adding decimals together. We have spent the latter half of the week doing assessments. These will be used to help me plan for the next steps in the children's learning. We made the most of the beautiful weather to explore the movement of the earth around the sun in our Science. We were so excited to see our shadows change position and length as we progressed through the day!

	Dates For Your Diary
Following on from our work with Dan Worsley last half	
term, he has now written a short blog on his visit to Lea	<u>Calling all dads! - We would like to celebrate your</u>
Endowed. I am very proud of his comments regarding	<u>special day with you.</u>
Class 3.	Fathers' Day Cake and a Cuppa
	In the afternoon of Monday 18th June , we are inviting all dads and grandads to come along and have a cake and
"The pupils worked brilliantly and the session flew by	a cuppa with your child/children in the school hall.
The children were a joy to work with and I'm genuinely	This is in celebration of Fathers' Day.
excited to read some examples of their writing."	Cake donations on Monday am would be very welcome!
For the full post please visit -	KS2 dads are welcome between 2:15 and 2:45pm.
